

President's report

In his report to the Board, President Buxton provided the following updates:

- Enrollment status and trends.
- The affordable housing initiative continues to progress.

Board actions

The Board of Trustees unanimously approved the following actions:

- 2.1 Annual Budget Approval
- Oct. 31, 2023, Finance Report
- Curriculum Program Closures
- New Program Proposals
- American Tobacco Off-Campus Instructional Site: Shift from Curriculum to Continuing Education courses
- Agreement with Orange County Public Schools for shared Career Coach Funding

Student Trustee Report

Student Government Association President Elle Hargrave provided Student Government Association updates:

- Durham Tech Student Government Association members attended the state conference for community college SGAs (photo at right).
- Advocating for food pantries on campuses and advocating for DACA students who are charged out-of-state tuition were two of the action items that came out of the conference.
- Durham Tech's SGA is currently planning spring events.

Time for camaraderie

Following Tuesday's business meeting, the Board of Trustees members got to spend time enjoying each other's company and delicious food from the cafe. Board members appreciated the talents of Chef Jordan and her team. The Trustees wish everyone at Durham Tech a safe, happy and healthy 2024.
