Campbell: [Doctor of Pharmacy](#)

UNC Chapel Hill: [Doctor of Pharmacy](#)

Wingate: [Doctor of Pharmacy](#)

- Students may apply to Pharmacy School without a bachelor's degree, but they must have completed the university's general education requirements and all pharmacy prerequisites. That usually requires completion of the Associate in Science Degree and at least one year at a four-year university.
- Students should review all material on the schools' websites. Schools of dental medicine may require additional prerequisites beyond coursework, such as standardized tests and patient care experience. Requirements may change, and restrictions on online coursework and time limits often apply to science coursework.
- Students must meet the general education requirements of the university. This includes humanities, social sciences, foreign languages, math, etc.
